China Legislation & Standards Newsletter  
February.2020

---

# China Legislation & Standard Platform

## *CNSTANDARDS*

*CNSTANDARDS* was founded in Beijing, China, by Mr. Paolo Yue, in order to meet the needs of technical supports of China's policies, regulations, standards, certification & conformity to **enter the Chinese market** with products and services.

*CNSTANDARDS* establishes intimate full-scale relationship with China authorities: central ministries & administrations, local governments and bureaus to pursue first-hand information and explanations.

*CNSTANDARDS* assembles Chinese experts with long-term experience in service or pension Who can supply and support training course, consultancy and instruction on behalf of competent departments with authorized messages.

*CNSTANDARDS* assists companies with market access support and deliver business services of the entire national economic sectors, including but not limited to China Compulsory Certification (CCC), China production licensing, investment and export, etc. Our pragmatic approach, extensive knowledge, and thorough quality control make Quality Partnerships the ideal choice for accessing the Chinese market.

*CNSTANDARDS* abstracts, summarizes and analyzes latest China Legislation & Standards Dynamics related to Access to China, including China legislation, strategy, policy, regulation, rule, standardization, certification, license and market surveillance monthly as newsletter for free distribution.

*CNSTANDARDS* supplies and supports vertically all mandate requests and compulsory intelligence on industry and products' access to china: <http://www.cnstandards.net/index.php/resource/>.
